This two-bedroom apartment is located in the heart of Nueva Andalucía, close to all facilities and Puerto Banus. Recently a complete renovation has been made, inspired by the Scandinavian style using only top materials and appliances. This house is completely renovated with premium appliances. A mixture of materials in a neutral color palette adds a touch of warmth to the bright and elegant interior. It has an open-plan kitchen, integrated with both the living room and the dining area, which is next to a spacious terrace overlooking the groomed garden. There are two bedrooms in total,...
